My Artwork sizes are measured in inches along the longest side. The numbers next to each size are the range in which each size is defined. For example an extra small print ranges in size along the longest edge of between 8 and 14 inches.

Framed prints prices are for standard timber framing with a single 50mm mat board and conservation mounting. Archival framing is an option and for the extra cost you get the latest in archival mounting technology where the print is mounted onto aluminum and framed with a standard timber frame.

Timber frames come in Mahogany, Walnut, Mocha and Black colours. Mat colours come in White, Cream, Antique White, Black or Grey.

Postage Australia wide for un-framed prints is \$14.95 including full insurance. Currently framed prints are pick up only from Penrith, New South Wales.
